

Katameya Heights & Katameya Dunes announce new look Pairs series...

The Westin Pairs series at Dunes and The Smokery Pairs at Heights will be merged to form a unique, 5 events, pairs series over the two Katameya Clubs. Both highly successful series in their own right over the past few seasons, the new look series will see both The Smokery and The Westin continue their support to provide not only an outstanding prize table for each of the 5 events. Three of the events will take place at Dunes, including the Grand Final, and two events taking place at Heights. Combining concepts will see the field sizes in each event increase to 70 players per event making the series more popular and competitive. The idea is certain to be popular with Heights and Dunes members, with both sets of club members being treated as full golf members of both clubs for all 5 events.

Given the high service offering of both The Smokery and The Westin, along with a splendid prize table, entries are also expected and encouraged from guest players of other clubs in Egypt holding official handicaps. Each event will once again award points to players for where they rank in each event. These points will be collected by the individual players for the Westin Road to Soma Bay with the end of series winner receiving a hotel stay and play trip, along with flights in Soma Bay.
