

Dear Members,

Please note that Katameya Dunes will host an **Alps Tour** event from Tuesday, 2nd of April to Saturday, 6th of April. **The Alps Tour** is a truly international tour where players have a direct path to the **European Challenge Tour**. Our event is one of several events on the **Alps Tour** in Cairo. Hosting such an event helps the international awareness of our world class resort. All the players will stay in our **Westin hotel**.

Of course we welcome and encourage you to come and watch what will be a high standard of Professional Golf.

A total of 132 European Professionals, all members of the Alps tour, will compete in the Dunes event.

Due to the high number of entries, and to ensure the optimum experience for this one off event, there will be some course and practice facility closure. We understand that comes at some inconvenience, but we trust you understand our reason for hosting. Of course the advantage of having 27 holes is that the Palms course remains open during the whole week.

Please see below course availability:

DAY	EVENT INFO	LAKES COURSE	PALMS COURSE (9 holes)	Driving range and all practice greens
Tuesday 2nd	official practice day 1	closed all day	Open all day	closed all day
Wednesday 3rd	official practice day 2	closed all day	Open all day	closed all day
Thursday 4th	Round 1	closed all day	Open all day	closed all day
Friday 5th	Round 2	closed all day	Open all day	closed all day
Saturday 6th	Round 3	closed all day	Open all day	Open from approx. from 1 pm

Again we apologize for the inconvenience but thank you for your understating in our decision to host such an international tournament and again you are welcome to come and spectate.
