

- Take the ring road exit at the new Festival City Site onto Road 90 / Al Tiseen Street / 5th Settlement.
- Drive straight along the road (land mark building on your left with a huge golf ball on its roof)
- Follow the road passed the Dusit Thani Hotel (on your left) and then passed the New American University (on your right).
- Turn right at the under construction roundabout and left into the site. (There are road signs just passed the University)
